Hello again,

Starting next Tuesday, January 22nd we will be having weekly officer meetings at 7:00 pm, every Tuesday unless otherwise stated.

Unfortunately, not a single time slot worked for everyone, so I picked the time with the least conflicts. If you have a conflict during this time you should still be able to keep up with the Chapter's goings-on, as I or Emily (our recording secretary) will be emailing meeting minutes from each meeting and I will let you know what we need help with throughout the semester.

Ian, Dr. Hayter and I met this afternoon to set up a preliminary schedule for this semester. I set a calendar up on GoogleCalendar, but unfortunately it will not allow anyone to see it unless you have a gmail account. If you have a gmail account feel free to email me your email address for that and I will add you. Otherwise, I will have hard copies for everyone at our meeting on Tuesday.

Important Dates to add to your calendar so far:

Friday, Feb 1: All Chapter Spaghetti Dinner at my house, 5:30pm

Saturday, Feb 2: Engineering Futures, 9am - 3pm, all officers are required to attend

Saturday, Feb 16: Possible Chapter Service Project - city park tree cleanup - more info soon

Tuesday, Feb 19: Electee Informational Meeting - 7pm

Saturday, Feb 23: District Conference in St. Louis

Monday, Feb 25: Electee Applications Due @ 4:30pm, Ian, I and anyone else who wants to join us will be reviewing the applications sometime Monday evening for the next day's meeting

Tuesday, Feb 26: Signature Party - 7pm

Saturday, March 1 or Saturday, March 8 - Electee Service Project

Tuesday, March 11: General Body Meeting?

Thursday, March 13: Pi Day Celebration

Saturday March 29 or Saturday April 5: Manhattan Community Cleanup (TBD)

Thursday, March 27th or Thursday, April 3: Movie Night will be the opposite week of whenever the community cleanup is scheduled for

Tuesday, April 1: Catalog Cards MUST be sent off before this day

Tuesday, April 15: Initiation Practice

Tuesday, April 22: Initiation - 5:30, Company of the Year Banquet - 6:30

Tuesday, April 29th: General Body Mtg & Election BBQ at City Park or Annenberg Park - Time TBD, but probably 7

Friday, May 2 or Saturday May 3: New & Old Officer Exchange Dinner

I know that that looks really scary all written out, but it actually comes out to less than one event/week.

Officer attendance at all events is not required, but HIGHLY recommended - especially for Engineering Futures, Initiation and elections.

I look forward to seeing all of you next Tuesday for our quick meeting at 7pm! I will email an agenda at a later time. Don't hesitate to contact me with questions or suggestions.

My cell number is (913)306-4286.

TBP love,
